

RANCHO SANTA FE  
**OPTOMETRY**

Dear patients,

I would like to thank you for allowing me to care for you as your optometrist over the past 39 years. Life brings us challenges and rewards. So as my new coffee mug says:

“RETIRED, Under New Management. See *Grandkids* for Details....”

I feel confident in leaving your care in the capable hands of Dr. Lisa Weiss who has 20 years of experience and has been at my side for the last six years. She has impeccable credentials, education, and a very caring nature.

Feel free to contact me through the office at [info@rsfoptometry.com](mailto:info@rsfoptometry.com). I look forward to hearing about you and your family.

Warm Regards,

Dr. Elizabeth Christensen
